Municipality of Eindhoven reaffirms partnership with Unit4 by choosing ERPx

EINDHOVEN

The municipality of Eindhoven has once again chosen Unit4 after a tender process. They will use the future-proof ERPx SaaS solution, which will replace their current on-premise financial system. Thanks to the flexibility of ERPx, the municipality of Eindhoven can ensure its growth ambitions for the future.

Great desire for further automation and digitization

The municipality of Eindhoven is the sixth-largest municipality in the Netherlands and the heart of Brainport Eindhoven, a tech region where complex and advanced machines, products, and innovations are conceived. The municipality has lofty growth ambitions and is keen to attract (international) talent, students, and companies. To achieve these growth ambitions, the municipality was looking for a future-proof and user-friendly solution for its financial processes. Further automation and digitalization are significantly desired to change the role of an executive employee to that of a controlling business partner. With ERPx from Unit4, the municipality of Eindhoven has found that solution.

Implementation

The municipality of Eindhoven and Unit4 will collaborate intensively to successfully implement ERPx, working with best practices for municipal administrations.

Ad Verbakel, CFO at the municipality of Eindhoven: "In our search for a new financial system, we conducted an extensive reconnaissance round in which several parties participated. We were looking for a system that integrates seamlessly with other systems used within the municipality. After an extensive proof of concept, it was clear that Unit4's ERPx solution was a good fit for our needs.

Wilfried Teunissen, Sales Manager Public Sector at Unit4: "We are proud that the municipality of Eindhoven has once again chosen Unit4. It confirms that Unit4 is the supplier that fits the wishes and needs of municipalities and also shows that ERPx is a reliable and modern solution that helps to future-proof organizations. The fact that we can now continue the fine relationship we have built up over the past few years is the icing on the cake.
